

WHITE ELECTRONIC DESIGNS

Product Change Notification

Date: Friday, November 14, 2008
PCN#: #140A00169
Subject: WEDPZ512K72V-XBX die change notification

Dear Customer,

White Electronic Designs Corporation wishes to inform you that the Samsung K7N163601A die previously used to support the WEDPZ512K72V-XBX product is no longer available.

Going forward WEDC will continue to support the WEDPZ512K72V-XBX using ISSI die IS61NLP51236.

Please contact your WEDC sales representative for the revised datasheet and specific product availability.

As technology moves at a much faster pace, advanced embedded electronic components play a more strategic role. Constant changes and advancements in technology mandate that we anticipate changes and directions in technology for the benefit of our customers. As one of the pioneers in defense and aerospace electronic solutions, we stand ready to assist you in managing this evolution of technology. If we can provide any additional assistance, please contact us at 602.437.1520 or complete a contact form at www.whiteedc.com/contact_us.html.

Best regards,

Bill Smith
