Product Change Notification

Date: Tuesday, May 19, 2009

PCN#: 140A00174

Subject: Spansion S29AL008D die revision change to S29AL008J die

Dear Customer,

In an effort to better communicate to you, our user community, we have implemented a e-mail version for our PCN process in addition to our PCN website. While you may receive a notification from us concerning a particular part or part numbers, it is not an indication that you use or have ordered these particular parts, but merely a communication to notify our user community as a whole. Please review your sales orders, POs, records, etc. to determine if this particular PCN impacts your activities or affects your business.

White Electronic Designs Corporation wishes to inform you of the Spansion S29AL008D die going to a new revision S29AL008J. This die revision change will take place in the fourth quarter of this calendar year on the affected WEDC product seen below.
WF1M32B-XH1X3, WF1M32B-XG2UX3

Future notice will be given on any potential electrical test requirements seen on the WEDC datasheets.

As technology moves at a much faster pace, advanced embedded electronic components play a more strategic role. Constant changes and advancements in technology mandate that we anticipate changes and directions in technology for the benefit of our customers. As one of the pioneers in advanced semiconductor packaging and high-density memory solutions, we stand ready to assist you in managing this evolution of technology. If we can provide any additional assistance, please contact us at 602.437.1520 or complete a contact form at www.whiteedc.com/contact_us.html.

Best regards,
White Electronic Designs Corp
