

WHITE ELECTRONIC DESIGNS

Product Change Notification

Date: Tuesday, September 1, 2009
PCN#: 140A00176
Subject: EOL notification of WEDC part numbers WPS128K32V-XPJX and EDI8L32128VXAX

Dear Customer,

In an effort to better communicate to you, our user community, we have implemented a e-mail version for our PCN process in addition to our PCN website. While you may receive a notification from us concerning a particular part or part numbers, it is not an indication that you use or have ordered these particular parts, but merely a communication to notify our user community as a whole. Please review your sales orders, POs, records, etc. to determine if this particular PCN impacts your activities or affects your business.

White Electronic Designs Corporation wishes to inform you of the end of life for the following two products: WPS128K32V-(12-55ns)PJX and EDI8L32128V(12-55ns)AX. This change applies immediately. Orders will be accepted until existing stock is depleted.

As technology moves at a much faster pace, advanced embedded electronic components play a more strategic role. Constant changes and advancements in technology mandate that we anticipate changes and directions in technology for the benefit of our customers. As one of the pioneers in advanced semiconductor packaging and high-density memory solutions, we stand ready to assist you in managing this evolution of technology. If we can provide any additional assistance, please contact us at 602.437.1520 or complete a contact form at www.whiteedc.com/contact_us.html.

Best regards,
White Electronic Designs Corp
