

Product Change Notification

Date: Monday, July 12, 2010
PCN#: 140A00186
Subject: EOL notification to Microsemi Product Families: 256K16 ceramic SRAM and 256K32 PLCC SRAM

Dear Customer,

In an effort to better communicate to you, our user community, we have implemented a e-mail version for our PCN process in addition to our PCN website. While you may receive a notification from us concerning a particular part or part numbers, it is not an indication that you use or have ordered these particular parts, but merely a communication to notify our user community as a whole. Please review your sales orders, POs, records, etc. to determine if this particular PCN impacts your activities or affects your business.

Microsemi wishes to inform you of the end of life of its 256K16 ceramic SRAM and 256K32 PLCC SRAM family of products. Microsemi has put in place a significant amount of die to cover customer needs for the next several years. Microsemi will continue to support all affected product until die depletion. The EOL notice affects the following products:

WMS256K16-XXXX
EDI16256CA/LPAXXXX
EDI8L32256CXXXX

5962-96902XXXXX is EOL and a last time buy is available until 12/10/2010.

As technology moves at a much faster pace, advanced embedded electronic components play a more strategic role. Constant changes and advancements in technology mandate that we anticipate changes and directions in technology for the benefit of our customers. As one of the pioneers in advanced semiconductor packaging and high-density memory solutions, we stand ready to assist you in managing this evolution of technology. If we can provide any additional assistance, please contact us at 602.437.1520 or complete a contact form at [www.whiteedc.com/contact us.html](http://www.whiteedc.com/contact_us.html).

Best regards,
Microsemi Engineering
