**Product discontinuation**

Dear Customer,

This is to inform that ams AG will discontinue the production of the products listed on pages 2 – 6 and in the attachment (Excel file).

Reason for the discontinuation is that the handler platform **NX16** from COHU/Ismecca is obsolete. Neither OEM support will be given any longer nor can any spare parts be provided.

We would therefore like to give you the opportunity to place EOL orders until June 30, 2017 for deliveries until Dec 15, 2017.

We are sorry for any inconvenience this may cause to you and hope that one of our other devices will fit into your application.

Best regards,
