To whom it may concern

Dear Valued customer,

Premo Group is committed to providing its valued customers with cost-outstanding products that meet the highest quality and innovation standards. To follow this commitment, Premo Group from time to time must evaluate the continuity of its current product lines to ensure the above goals can be met. In light of these reviews, Premo Group has determined that the following product is to be discontinued:

PNN1045-151K SMD POWER IND. SERIE PNN7045 150uH 10%

Please be aware of this communication. PREMO will not accept anymore orders of this product.

Best Regards
