

PRODUCT TERMINATION NOTIFICATION

Termination for ST25RU3991

Main reason for the Termination:

New application requirements obsoleted the need for ST25RU3991 and the low volume does not justify maintaining production.

To support our customers on a long-term basis ST suggests moving to ST25RU3993 as a functional replacement with increased performance, functionality and best fitting to the most up to date application requirements.

Affected Commercial Part Number	Replacement Product
ST25RU3991-BQFT	ST25R3993-AQFT

PRODUCT TERMINATION NOTICE

Date: May 18, 2018

Dear valued customer,

STMicroelectronics is considering terminating the production of the ST25RU3991 product.

We propose to meet you as soon as possible, in order to evaluate the consequences that our plans might have for you. During this meeting we could define in common the best possible solution in order to minimize the impact of any decision. Any objection to our proposal should be raised 10 days at the latest from the date of the present note.

Planned date of Termination:

Last order entry: **November 1st, 2018**

Last shipments: **May 1st, 2019**

Please be assured that STMicroelectronics remains committed to excellent customer service. We are prepared to take all the necessary steps to reduce any inconvenience resulting from this situation.

Yours faithfully,

Termination for ST25R3909
