End of Life Announcement for CR2450HT 3V Lithium Coin cells

Dear Customer,

In the course of **Renata SA's product revision and optimization program**, we regret to inform that our 3V Lithium coin cell, type **CR2450HT** (naked- and tabbed coin cell solutions) **will be discontinued** because of the extremely difficult acquisition of important basic materials, in the required quality, for components of this cell.

List of the discontinued parts:

Renata Part Name	Renata Part No.	Renata Part Name	Renata part No
CR2450HT.IB	701700	CR2450HT519-3	702061
CR2450HTFH-LF	701400	CR2450HT-AH	702453
CR2450HTFV-LF	701950	CR2450HTT284-9	700851
CR2450HTRH-LF	701401	CR2450HTT290-9	701291
CR2450HTRH1-LF	701681	CR2450HTD.IB	702533
CR2450HTRV-LF	701951	CR2450HTDT333-3	701782
CR2450HT SM	702750	CR2450HTT326-2	701210

CR2450HTT414-4	701850	CR2450HTT574-1	703288
CR2450HTT358-10	701440		

It is in our common interest to ensure a smooth transition for all our customers, who might be affected by this revision of our product range. In order to enable our customers to evaluate alternative cell solutions,

phase out is as follows

Last time buy possibility: November 30th, 2019
Last time delivery: November 30th 2020

Orders within the scope of the current annual demand can be supported by existing material for delivery as mentioned. Other or exceeding demands must be allocated.

Please do not hesitate to contact our sales responsible, if you need some advice concerning the evaluation of alternative Renata batteries, in order to discuss possibilities, to meet your product requirements.

We kindly ask you to inform all parties involved accordingly.

We thank you very much in advance for your notice and understanding.
