Microsemi Corporation

June 10, 2019

Product Discontinuance Notification (PDN) #: PDN19012

Subject

Microsemi Product Discontinuation of Windows 8.1 Platform Support for Libero Software

Description

Starting with the Libero SoC v12.2 release, Microsemi will discontinue support for the Windows 8.1 operating system.

Reason for Discontinuance

Microsoft has ended mainstream support for Windows 8.1 as of January 8, 2018. See the Microsoft [lifecycle fact sheet](#) for more details. Microsemi has also observed that there is little traction for Windows 8.1 platform.

Customer Impact

There is no impact for customers using Libero SoC v12.1 software or an earlier version.

Replacement Parts

Microsemi recommends that users see the [Libero SoC](#) website to stay informed about the latest supported operating system platforms.

Important Dates

Last Order Date: Not Applicable. Libero software is not an orderable part number. This software is downloadable from the Microsemi website.

Last Shipment Date: Not Applicable

Products Affected by this Discontinuance

Not Applicable

Contact Information

If you have further questions about this subject, contact your local Microsemi Technical Support department via the support portal at <https://soc.microsemi.com/Portal/Default.aspx>.

Regards,

Microsemi Corporation

Any projected dates in this notification are based on the most current product information at the time this PDN is being issued, but they may change due to unforeseen circumstances. For the latest schedule and any other information, contact your local Microsemi Sales Office, the factory contact shown above, or your local distributor.

This PDN is confidential and proprietary information of Microsemi and is intended only for distribution by Microsemi to its customers, for customers' use only. It must not be copied or provided to any third party without Microsemi's prior written consent.
