

January 20, 2022

TO: Valued Customer

Notice for Adding Chinese labels

We would like to express our sincere appreciation for your continuous business relationship and support.

All products sold in China must be marked in the Chinese language, therefore we would like to inform you of the following change:

1. Applicable items: Timing Device products addressed to China
2. Content: Additional Chinese labels on inner cartons or inner bag
*Current labels in English remain without change
3. Sample image:

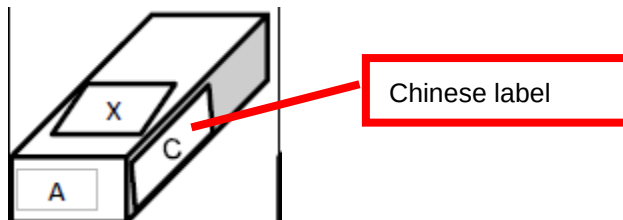

4. Schedule: start as of 24th January 2022

5. Labeling position

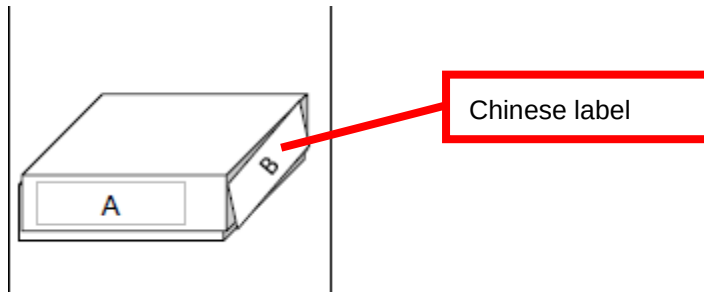

- ① Reel packing : on Vinyl bag

- ② Stick packing : on inner box

- ③ Sample box

In case that customers change packing and reship to China, please put Chinese label like our sample.

If you need any clarifications, please feel free to contact your Sales Representative.

Sincerely yours,

Device Sales & Marketing Dept.
