Detail of potential impact to customer: None

Affected Products: CMD293

Comments and/or Supporting Data:

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable): Datasheet revision required; two ground pad locations changed. Die dimensions not changed.

Qualification Plan or Data (if applicable): Contact Qorvo sales.

Customer Samples Available (if applicable): Apr 30, 2021: Order sample material number CMD293S2.

Qualification Results Available (if applicable): May 28, 2021:

Planned First Ship Date: May 25, 2021: Earlier shipment available with customer acceptance.

Identification of Changed Product (if applicable): Prior die marking: 20010. Revised die marking: 28601.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
