

Process/Product Change Notification (PCN)

General PCN Information

PCN # 21-0119	Assembly Site Change	PCN Date	Jun 2, 2021
Initiator	Sandra Holt	Date	Jun 1, 2021
Post to PCN Alert?	☒ Yes ☐ No	E-mail	PCNresponse@qorvo.com
Type of Change:	☒ Major ☐ Minor	☐ Obsolescence	
Change Affects	☐ Form ☐ Fit ☐ Function ☐ Reliability ☐ N/A ☒ Other: Assembly Site		

Description of Change: Supplier assembly site change required due to current subcon de-allocation. New site is fully qualified by Qorvo and manufacturing similar products in high volume.

Reason for Change: De-allocation at assembly requires a site change in order to maintain supply to meet customer demand. Typical customer specifications regarding these changes may not apply due limited supply.

Detail of potential impact to customer: Customers may have limited supply from current site. Change in assembly site will not impact form, fit, function or reliability.

Affected Products: RF2374

Comments and/or Supporting Data:

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable): N/A

Qualification Plan or Data (if applicable): Available on request

Customer Samples Available (if applicable): Sep 10, 2021: Contact Sandra.Holt@qorvo.com with your sample requests

Qualification Results Available (if applicable): Sep 24, 2021: Available on request after this date.

Planned First Ship Date: Sep 12, 2021: First ship date is dependent on current limited supply and qualification of new assembly site.

Identification of Changed Product (if applicable): No change to customer part number. Products manufactured at new site will be traceable in Qorvo's internal manufacturing systems.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
