

Process/Product Change Notification (PCN)

General PCN Information

PCN # 21-0257	DWM1001-DEV and MDEK1001 BOM change	PCN Date	Dec 16, 2021
Initiator	Andrew Flynn	Date	Dec 16, 2021
Post to PCN Alert?	☒ Yes ☐ No	E-mail	PCNresponse@qorvo.com
Type of Change:	☒ Major ☐ Minor	☐ Obsolescence	
Change Affects	☒ Form ☐ Fit ☒ Function ☐ Reliability ☐ N/A ☐ Other:		

Description of Change: Future builds of the DWM1001-DEV evaluation kit and MDEK1001 evaluation kit will remove the charging circuit and remove the battery charger.

Reason for Change: Production of DWM1001-DEV and MDEK1001 has stopped because there is no availability of one particular COM component, the TI battery charger. It is not available again until the middle of 2023 and in order to ship these kits to our customers asap we have decided to remove this non-essential component from the BOM.

Detail of potential impact to customer: The products will operate correctly when the battery charger is omitted. The products can be powered by either USB or via one of the 5V pins.

Affected Products: DWM1001-DEV, MDEK1001

Comments and/or Supporting Data:

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable): DWM1001-DEV and MDEK1001

Qualification Plan or Data (if applicable): No qual required

Customer Samples Available (if applicable): Jan 4, 2022:

Qualification Results Available (if applicable):

Planned First Ship Date: Dec 22, 2021: All shipments from 22-Dec-21 will have this change applied

Identification of Changed Product (if applicable): DWM1001-DEV and MDEK1001 Shipped after December 22, 2021.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
