

Process/Product Change Notification (PCN)

General PCN Information

PCN # 22-0026	QPL6220Q EPI Reactor Change	PCN Date	Feb 16, 2022
Initiator	Bobbi Duff	Date	Feb 15, 2022
Post to PCN Alert?	☒ Yes ☐ No	E-mail	PCNresponse@qorvo.com

Type of Change:	☒ Major	☐ Minor	☐ Obsolescence
Change Affects	☐ Form ☐ Fit ☐ Function ☐ Reliability ☐ N/A ☒ Other: EPI base material is changing source of which reactor material is sourced from.		

Description of Change: Qorvo Wafer EPI Supplier is changing EPI reactors for wafer technology that is sourced for QPL6220Q.

Reason for Change: Qorvo Supplier driven change to streamline and continue supply for Wafer EPI to Qorvo Fab.

Detail of potential impact to customer: Customer may potentially need to requalify Qorvo parts with new EPI reactors to meeting Automotive Specifications for continuing supply.

Affected Products: QPL6220Q

Comments and/or Supporting Data:

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable): No change to specification anticipated and would be reflected in qual or other data relayed to customer(s).

Qualification Plan or Data (if applicable): Qual Data estimated to be available July 1, 2022 pending qual completion.

Customer Samples Available (if applicable): Mar 1, 2022: Contact Bobbi.Duff@qorvo.com with your sample requests

Qualification Results Available (if applicable): Jul 1, 2022:

Planned First Ship Date: Mar 1, 2023: Pending customer approval and qual completion

Identification of Changed Product (if applicable): N/A

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
