Comments and/or Supporting Data:			

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable):	No specification changes anticipated at this time.
Qualification Plan or Data (if applicable):	Qualification data is anticipated to be available by July 1, 2022 or sooner.
Customer Samples Available (if applicable):	Mar 11, 2022: Please contact bobbi.duff@qorvo.com for sampling needs.
Qualification Results Available (if applicable):	Jul 1, 2022:
Planned First Ship Date:	Mar 1, 2023: First ship date could be sooner based upon customer approval and/or current die supply. Revised Aug 26, 2022: Revised Planned First Ship Date from Mar 1, 2023, to Mar 1, 2025
Identification of Changed Product (if applicable):	Traceability to component suppliers is maintained in Qorvo's internal manufacturing systems.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
