

Process/Product Change Notification (PCN)

General PCN Information

PCN # 22-0088	2DID Implementation	PCN Date	Jun 8, 2022
Initiator	Sandra Holt	Date	Jun 8, 2022
Post to PCN Alert?	☒ Yes ☐ No	E-mail	PCNresponse@qorvo.com
Type of Change:	☒ Major ☐ Minor	☐ Obsolescence	
Change Affects	☒ Form ☐ Fit ☐ Function ☐ Reliability ☐ N/A ☐ Other:		
Description of Change: As part of Qorvo's continued improvement process, QPF4632 will implement the use of 2DID marking.			
Reason for Change: Improved traceability data, assembly trace code and XY location on the strip that the part came from. There is tremendous benefit that allows quicker problem solving.			
Detail of potential impact to customer: While the product part number will no longer be visible on the individual parts, the improved traceability and containment during quality issues is tremendous. The actual product number will continue to be on all packaging.			
Affected Products: QPF4632			
Comments and/or Supporting Data: Click on attached file to view Marking Diagram: 			

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable):	None

Qualification Results Available (if applicable):	N/A
Planned First Ship Date:	Feb 1, 2023:
Identification of Changed Product (if applicable):	2DID barcode marked on part.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
