| PCN # 23-0053      | CMD319C3 Datasheet Correction                                                                                                                                                                                |                             | PCN Date                       | Mar 29, 2023                          |
| Initiator          | James Cheng                                                                                                                                                                                                  |                             | Date                           | Mar 27, 2023                          |
| Post to PCN Alert? | <input checked="" type="checkbox"/> Yes                                                                                                                                                                      | <input type="checkbox"/> No | E-mail                         | PCNresponse@qorvo.com                 |
| Type of Change:    | <input checked="" type="checkbox"/> Major                                                                                                                                                                    |                             | <input type="checkbox"/> Minor | <input type="checkbox"/> Obsolescence |
| Change Affects     | <input type="checkbox"/> Form <input type="checkbox"/> Fit <input checked="" type="checkbox"/> Function <input type="checkbox"/> Reliability <input type="checkbox"/> N/A<br><input type="checkbox"/> Other: |                             |                                |                                       |

**Description of Change:** Corrected Gain Typo in Electrical Specifications table. No other changes.  
8-10GHz Gain corrected from 30dB(typ), 24dB(min) to 22dB(typ), 19dB(min)  
10-12GHz Gain corrected from 24dB(typ), 18dB(min) to 19dB(typ), 16dB(min)

**Reason for Change:** Corrected typo in Rev. C datasheet.

**Detail of potential impact to customer:** None

**Affected Products:** CMD319C3

**Comments and/or Supporting Data:**

**The following only applies to Major and Minor Changes**

**Affected Product Specification (if applicable):** N/A

**Qualification Plan or Data (if applicable):** N/A

**Customer Samples Available (if applicable):** N/A

**Qualification Results Available (if applicable):** N/A

**Planned First Ship Date:** N/A - Datasheet correction only. Product is not changing.

**Identification of Changed Product (if applicable):** N/A

**Customer Acknowledgement/Responses:** All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
