

Process/Product Change Notification (PCN)

General PCN Information

PCN # 23-0089	Revise Reflow temperature in datasheet	PCN Date	Jun 1, 2023
Initiator	Steven Cao	Date	May 30, 2023
Post to PCN Alert?	☒ Yes ☐ No	E-mail	PCNresponse@qorvo.com
Type of Change:	☒ Major ☐ Minor	☐ Obsolescence	
Change Affects	☐ Form ☐ Fit ☐ Function ☐ Reliability ☐ N/A ☒ Other: update datasheet according to actual practice.		
Description of Change:	Total 12 devices were affected. Their datasheets define reflow soldering temperature is 260 deg C. All of them should be changed to 245 deg C.		
Reason for Change:	About reflow soldering temperature in datasheet, it does not match product's actual requirement.		
Detail of potential impact to customer:	Customer should follow 245 deg C reflow soldering temperature not 260 deg C.		
Affected Products:	UF3C065030B3, UF3C065040B3, UF3C065040B3A, UF3C065080B3, UF3C065080B7S, UF3C120080B7S, UF3C120150B7S, UF3SC065030B7S, UF3SC065040B7S, UF3SC120040B7S, UJ3C065030B3, UJ3C065080B3: Total 12 devices were affected. UF3C065040B3 and UF3C065040B3A share the same datasheet.		
Comments and/or Supporting Data:	This change should be effective immediately.		
The following only applies to Major and Minor Changes			
Affected Product Specification (if applicable):	All related datasheet for 12 devices		
Qualification Plan or Data (if applicable):	N/A		
Customer Samples Available (if applicable):	N/A - Not related with sample. Just change datasheet's requirement.		
Qualification Results Available (if applicable):	N/A		
Planned First Ship Date:	Jun 5, 2023: Just change for one requirement about datasheet. So, this change should be effective immediately.		
Identification of Changed Product (if applicable):	No change for Product Identification		
Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
