

Process/Product Change Notification (PCN)

General PCN Information

PCN # 23-0094	885216 End of Life Obsolescence	PCN Date	Jun 19, 2023
Initiator	Bobbi Duff	Date	Jun 16, 2023
Post to PCN Alert?	☒ Yes ☐ No	E-mail	PCNresponse@qorvo.com
Type of Change:	☐ Major ☐ Minor	☒ Obsolescence	
Change Affects	☐ Form ☐ Fit ☐ Function ☐ Reliability ☐ N/A ☐ Other:		

Description of Change: 885216 - A high-performance, high-power Bulk Acoustic Wave (BAW) filter with a 25 MHz pass band end of life obsolescence.

Reason for Change: 885216 uses a ceramic package with a lid to seal the package. The lid supplier has issued an EOL with LTB December 2023. Qorvo has taken the risk and has ordered enough lids to support all 885216 lifetime demand. However, these lids have a 1-year shelf life which means Qorvo has to assemble into finished product within 1 year. Qorvo's risk of unused inventory would be too high and is requesting all customers to issue NCNR POs. 885216 has a shelf life of 5 years which can be extended to another 5 years by recertifying the product. The plan will be to assemble all product to meet NCNR POs and ship them as and when needed to meet the backlog with the final shipment in December 2026. Qorvo will recertify the product to guarantee another 5 years of shelf life.

Detail of potential impact to customer: Customers will need to place NCNR POs by September 30, 2023 in order to secure wafer starts for their needs.

Affected Products: 885216

Comments and/or Supporting Data: N/A

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable): N/A

Qualification Plan or Data (if applicable): N/A

Customer Samples Available (if applicable): N/A

Qualification Results Available (if applicable): N/A

Planned First Ship Date:

Identification of Changed Product (if applicable): N/A

The following only applies to Obsolescence Notifications

Any purchase orders issued for end of life (EOL) products identified in this PCN are non-cancellable, non-returnable (NCNR).

Last Time Buy Date	Sep 30, 2023 -- Customers have been previously notified and agreed to the Last Time Buy date. Contact Ali.Bawan@qorvo.com if you have any questions.
---------------------------	--

Last Time Ship Date	Dec 31, 2026 --
----------------------------	-----------------

Alternate Part Recommendation	No alternate parts available at this time.
--------------------------------------	--

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
