Description of Change: Costa Rica will be shutting down the C3 assembly line.			
Reason for Change: Qorvo continues to invest in providing state of the art, competitive solutions. Processes and products that are several generations old with diminished, or no demand, are beginning obsolescence to allow for expansion of newer technologies. As a result, Costa Rica will be shutting down the CE3 line.			
Detail of potential impact to customer: Customers will need to place last time buy orders by date indicated.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
