Comments and/or Supporting Data:

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable): No specification changes are anticipated.

Qualification Plan or Data (if applicable): Qualification data can be provided by March 15, 2025 or sooner.

Customer Samples Available (if applicable): Jan 1, 2025: Please provide feedback immediately on sample requirements. Please contact Bobbi Duff @ bobbi.duff@qorvo.com for sample request. Please reference PCN number.

Qualification Results Available (if applicable): Mar 15, 2025:

Planned First Ship Date: Jan 1, 2026: Anticipated shipping date of product with new EPI.

Identification of Changed Product (if applicable): Refer to Qorvo lot number branded on product.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
