Notice: Change of IC final testing factory due to our factory transition

We would like to express our sincere appreciation for your continuous business relationship and support.

We would like to hereby inform you that we will change the IC final testing factory of the applicable products as mentioned below. The background of this change is that we decided to transfer the semiconductor production at Singapore Epson Industrial Pte. Ltd. (SEP) to another affiliated factory in June 2026.

To ensure a smooth transition of our manufacturing base, testing and shipping will be managed by our affiliated factory from a quality control perspective.

We apologize for our short notice and any inconvenience, but your understanding and cooperation will be highly appreciated.

◆ Applicable products: Please refer to the attached list

◆ Production Site:

	Final Testing	Packing/Shipping
Current	SEP	SEP
New	EPTH	Epson Fujimi
	Epson Sakata	Epson Sakata

SEP : Singapore Epson Pte. Ltd. (Singapore)

EPTH : Epson Precision (Thailand) Ltd. (Thailand)

Epson Fujimi : Seiko Epson Corporation (Japan)

Epson Sakata : Tohoku Epson Corporation (Japan)

◆ Schedule: Please refer to the attached list

Shipping schedule might vary depends on ordered quantities or inventory conditions. Details will be informed by our sales representatives separately.

If you have any inquiries, please ask our sales representatives by July 11, 2025.
