Reason for Change: Capacity improvement						
Detail of potential impact to customer: None						
Affected Products: T2G4005528-FS						
Comments and/or Supporting Data:						
The following only applies to Major and Minor Changes						
Affected Product Specification (if applicable): N/A						
Qualification Plan or Data (if applicable): Qualification report availability projected by 02/15/2021 on request						
Customer Samples Available (if applicable): Feb 18, 2021: Please contact tamara.bassam@qorvo.com.						
Qualification Results Available (if applicable): N/A						
Planned First Ship Date: Mar 5, 2021:						
Identification of Changed Product (if applicable): Traceability to changed product will be maintained by Qorvo's internal systems.						
Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
