

Product Discontinuation Notice

Date: 2024/09/05

Dear Customer:

Thank you for support and use Nuvoton Microcontroller products over the years.

Nuvoton will stop the production of the products from June 1st, 2025.
M031BTYD2AN, M031BTYE3AN, M032BTAG8AN, M032BTAIAAN.

Nuvoton also sets Dec. 1st, 2024 as the final order deadline for these models. After the order is placed, our company cannot accept the cancellation of the order or the goods return. The order shipment operation is based on the production capacity and the timeliness of the material, and Nuvoton reserves the right to limit the quantity ordered and shipped schedule. We apologize for any inconvenience caused.

For effective orders, Nuvoton will complete the shipment-related operations on time in accordance with your company's delivery requirements. During this transition period, if you have any shipment quantity, delivery date or related questions, please contact our sales representative and we will do our best to assist your company.
