General Information

This EOL notification announces the cessation of manufacture of the product(s) mentioned herein. The process of product discontinuation will be implemented in accordance with EM Microelectronic's Product Discontinuation procedure. The product EOL information is supplied prior to cessation of manufacture to enable related customers to make the necessary adjustments to their present and future purchasing plans. Users of these products should review this material carefully and ensure that final purchase is made within the deadline defined above.

Last Order Date

Up to this date EM Microelectronic will accept orders for the product being discontinued. After this date EM Microelectronic cannot accept any orders for this product.

Last Delivery Date

Up to this date EM Microelectronic will deliver/ship this product. After this date EM Microelectronic cannot deliver/ship this product.

Suggested Replacement Product

The alternative products or versions of the same product are the recommended replacement products for the phased-out products. The suggested products should functionally replace the original product however this is offered as a reference information only. EM Microelectronic offers no guarantee that the suggested replacement product will have exactly the same form, function or specification of the phased-out product.

Product Pricing

EM Microelectronic will honour all prices offered for the product up to the last order date.
