

To: Customers

Date: February 2016

Microdevices Operations Division
Seiko Epson Corporation

Notice of Discontinuation

We would like to express our sincere appreciation for your continued business and support.

As for some of our products for which no volume orders have been placed by customers over a long period of time, we would like to announce the discontinuation of production.

This notice serves as formal communication to customers presenting the list of products to be discontinued (attachment) and the date of last orders we will honor, and requesting you to confirm the discontinuation information provided in this notice. For further information, please contact your local sales representative.

Products: Please see attached.

Last order information:

Effective last order date: 30 September, 2016

Last shipment date: 31 March, 2017

Requests:

- If you need to place last orders for the products in the attached list, please place orders prior to the date mentioned above.
- Regardless of whether you place orders or not, please confirm the contents of this notice and provide us with your information below with your signature, and send this copy to Epson sales representative by 30 September, 2016
- Even though we don't receive your reply by due date, we discontinue these products.

----- (Do not detach the following part.) -----
