

Product Obsolescence Notice - Last Time Buy

August 13th, 2021

Dear Valued Customer,

As a valued Espressif customer, you have our commitment to providing you with high quality and cost effective products, superior level of customer service.

To ensure the commitment, Espressif continually evaluates the features and cost effectiveness of its current product lines, and develops products that achieve superior performance.

Hereby, Espressif declares the obsolescence of **ESP8285H08** based on the availability of upgraded parts, effective immediately.

Last Time Buy

Please assess your product needs and place a Last Time Buy order as soon as possible. Quantities may be limited.

The conditions of this last time buy are as follows:

- All orders are non-cancelable and non-refundable, and are subject to acceptance by Espressif.
- Last order date: Date of last order acceptance is **October 15, 2021**.
- Final ship date: Orders placed in compliance with above dates must be scheduled for delivery from Espressif prior to **December 20, 2021**.
- Final return date: The last day for distributors to return the inventory is **September 30, 2021**.

Replacement Device

Our intent is to continue to provide our standard warranty coverage and offer application engineering support to cross over to alternative Espressif products. The recommended replacement device is ESP8285H16, which is pin to pin compatible with ESP8285H08. No change on hardware or software is required when migrating from ESP8285H08 to ESP8285H16. For more information, please refer to [ESP8285 datasheet](#).

We are sorry for any inconveniences this may cause. Espressif remains committed to providing our customers with quality products and service. For any questions or inquiries, don't hesitate to contact your normal sales channels and contacts.

Thank you for your attention.

Sincerely,

Espressif Systems (Shanghai) Co., Ltd
