Quantifiable Impact on Quality & Reliability: None

Proposed First Ship Date*: All orders on ATA5757-6DQJ are automatically transferred to ATA5757-6DQY.

*The Proposed First Ship Date is the forecasted date that a customer may expect to receive changed product. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed product on this date, Atmel will continue to ship pre-changed product until a time in which inventory has been depleted. This may result in pre-changed product being shipped to customers after this forecasted date.
