ATA5283P-6AQ	None	Not available
ATA5283P-6AP	None	Not available
ATA5283-6AS	None	Not available
ATA5283P-DDW	None	Not available
ATA5283M-6AQ	None	Not available
ATA5283P-6APJ 71	None	In production, last time buy
ATA5283P-6AQJ 71	None	In production, last time buy

Reason for EOL:

Discontinuation of production of technology. **MHS Electronics, the wafer foundry for the ATA5283, applied for preliminary insolvency proceedings at the French commercial courts due to the deteriorating economic environment. According to French press, the courts have accepted MHS request on December 11, 2008. Unfortunately there is no alternative source for the wafer technology available; therefore we urge all customers to place their last time buy order as soon as possible. Atmel expects that all last time buy orders received until January 31, 2009 can be fulfilled. We are aware that this short notice may cause inconvenience but it is our duty to inform you about this latest development to prevent bigger problems.**

Last Time Buy Date: **January 31, 2009**

* All orders placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

Last Ship Date: August 31, 2009
