

Product End-of-Life (EOL) Notification

EOL Number: HE112901A (REVISED 08/31/2011)

Notification Date*: July 18, 2011

See Added Part Number in Blue Color Text Below

Product Description & Replacement:

The Hex Half-bridge Driver ICs ATA6836-PXQW, **ATA6836-PXQW 19**, and ATA6836-TIQY out of the Telefunken Semiconductor GmbH & Co. KG wafer fab will be discontinued. As replacement parts the electrically identical Hex Half-bridge Driver ICs ATA6836C-PXQW and ATA6836C-TIQY out of Atmel's wafer fab in Colorado Springs, USA are available.

A PCN for these types was published in February 2011 (HC110702).

Reason for EOL:

Due to high volume production of driver ICs in Atmel's Colorado Springs wafer fab, the decision was taken to cease manufacturing of these devices in the Telefunken wafer fab.

Last Time Buy Date: January 31, 2012

**All orders placed after the notification date are non-cancellable and non-returnable (NCNR).*

Last Ship Date: July 31, 2012

Information provided herein is in connection with Atmel products and this information is provided "AS IS". Atmel assumes no responsibility for any errors that may appear in this document. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Atmel's Terms and Conditions of Sale for such products, Atmel assumes no liability whatsoever, and Atmel disclaims any express or implied warranty, including liability or warranties relating to fitness for a particular purpose, merchantability, or non-infringement of any patent, copyright or other intellectual property right. Atmel products are not intended for use in a product or system intended to support or sustain life which, if it fails, can be reasonably expected to result in significant personal injury. Atmel may make changes to specifications and product descriptions at any time, without notice.

Attention Distributors: Product(s) identified in this notification will become obsolete and as such this EOL notification will act as the official written notification. All obsolete products will be listed in the next published quarterly distributor price book, following an EOL change, and listed on the obsolescence form which accompanies said price book. Within thirty (30) days from the published date of the price book, Distributor shall notify Atmel in writing of Distributor's then current inventory of the obsolete product

CUSTOMER ACKNOWLEDGEMENT OF RECEIPT: Atmel requests you acknowledge receipt of this EOL. Please complete and email to the Atmel Contact listed above. In your acknowledgement, you can grant approval or request additional information. **Atmel will deem this change accepted unless specific conditions of acceptance are provided in writing within 30 days from the date of this notice.**
