

Product End-of-Life (EOL) Notification

EOL Number: HE122801

Notification Date*: July 16, 2012

Product Description & Replacement:

See Appendix I for product list.

Reason for EOL:

In support of Telefunken Semiconductor GmbH (TSG) wafer start requests that significantly exceed current run rates, Atmel is pulling forward future wafer demand on those existing Atmel products which are exclusively manufactured by TSG. In order to ensure that Atmel does not purchase wafers in excess of certain Customer demands Atmel is issuing EOL notices to align life time demand.

As the wafer start rates currently exceed demand, Atmel has shortened the last time by period to enable us to quickly assess and build the correct mix of products and thus mitigate risk.

Atmel kindly requests that last time buy orders be placed by 30 September 2012.

Last Time Buy Date: September 30, 2012

**All orders placed after the notification date are non-cancellable and non-returnable (NCNR).*

Last Ship Date: December 31, 2013
