

Microsemi.

Power and Microelectronics Group (PMG) – Phoenix Division

Product Change Notification

Date: Thursday, November 10, 2011

PCN#: 140A00170 Addendum

Subject: Microsemi Product EOL

Dear Customer,

In an effort to better communicate to you, our user community, we have implemented an e-mail version for our PCN process in addition to our PCN website. While you may receive a notification from us concerning a particular part or part numbers, it is not an indication that you use or have ordered these particular parts, but merely a communication to notify our user community as a whole. Please review your sales orders, POs, records, etc. to determine if this particular PCN impacts your activities or affects your business.

Microsemi Power and Microelectronics Group wishes to inform you the following products are EOL:

W764M32V-XSBX

D50010

D50031

D50093

Reason for change: FLASH die is EOL.

Microsemi Power and Microelectronics Group will be accepting last time buys for these products through 12/16/11. Please contact your Sales representative for any questions related to this change.

As technology moves at a much faster pace, advanced embedded electronic components play a more strategic role. Constant changes and advancements in technology mandate that we anticipate changes and directions in technology for the benefit of our customers. As one of the pioneers in advanced semiconductor packaging and high-density memory solutions, we stand ready to assist you in managing this evolution of technology. If we can provide any additional assistance, please contact us at 602.437.1520 or complete a contact form at www.whiteedc.com/contact_us.html.

Best regards,

Microsemi Power and Microelectronics Engineering Group
