

Package End-of-Life Notification

EOL Number: NE100301

Date*: March 16, 2010

Product Description & Replacement:

1) Product Description:

All Part-Numbers in MCGA package (CI-CGA package). See list of affected devices in Appendix 1 for Standard products

2) Options:

2.1) Storage of SCI piece-parts in order to supply MCGA package until June 30, 2011

2.2) Delivery in LGA packages for ASIC products

2.3) Delivery in other packages for Standard Products (*see Appendix1*)

Reason for EOL:

This End-Of-Life is due to the discontinuation of the SCI (Solder-Column Interposer) technology from e2V's supplier.

Last Time Buy Date:

September 30, 2010 for the products with MCGA package

December 15, 2010 for AT280F FPGA and AT7913E SpaceWire RTC

* All orders placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

Last Ship Date: June 30, 2011

Information provided herein is in connection with Atmel products and this information is provided "AS IS". Atmel assumes no responsibility for any errors that may appear in this document. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Atmel's Terms and Conditions of Sale for such products, Atmel assumes no liability whatsoever, and Atmel disclaims any express or implied warranty, including liability or warranties relating to fitness for a particular purpose, merchantability, or non-infringement of any patent, copyright or other intellectual property right. Atmel products are not intended for use in a product or system intended to support or sustain life which, if it fails, can be reasonably expected to result in significant personal injury. Atmel may make changes to specifications and product descriptions at any time, without notice.

Attention Distributors: Product(s) identified in this notification will become obsolete and as such this EOL notification will act as the official written notification. All obsolete products will be listed in the next published quarterly distributor price book, following an EOL change, and listed on the obsolescence form which accompanies said price book. Within thirty (30) days from the published date of the price book, Distributor shall notify Atmel in writing of Distributor's then current inventory of the obsolete product.

Appendix 1

Current Device Name	SMD specification / PNs using EOL MCGA package	Preferred package / PNs	Optional packages / PNs
AT697E	5962-07224 / 5962-0722401QXB AT697E-2H-SV AT697E-2H-E	MQFP256 / 5962-0722401VYC 5962-0722401QYC AT697E-KG-E	LGA349 / PNs To Be Defined SP2GA (See note 2) / PNs To Be Defined
