

Process/Product Change Notification (PCN)

General PCN Information

PCN # 20-0003	Add JCET as 2nd source of some PPM products	PCN Date	Jan 9, 2020 Revised Mar 31, 2020
Initiator	Jerry Zhong	Date	Mar 31, 2020
Post to PCN Alert?	☒ Yes ☐ No	E-mail	PCNresponse@qorvo.com
Type of Change:	☒ Major ☐ Minor	☐ Obsolescence	
Change Affects	☒ Form ☐ Fit ☐ Function ☐ Reliability ☐ N/A ☒ Other: 2nd source assembly. Revised 3/31/2020 to note slight difference in Package Outline		
Description of Change: To expand production capacity, Qorvo is adding a 2nd source assembly site for some PPM motor control (PAC) products. Alternate source is a qualified supplier of some of the PAC products. This qualification is to expand the products line at this site. PAC5222QM is selected for qualification. The other products are qualified as similarity.			
Reason for Change: Expand production capacity so that we will have more flexibility to meet the increase of customer demand.			
Detail of potential impact to customer: No change of the product fit, function or reliability. There is slight difference of the Package Outline due to leadframe design. Refer to the attachment to view comparison of Package Outline Drawings (POD)			
Affected Products: CST32251QM, PAC5222QM, PAC5225QM, PAC5523QM, PAC5527QM, PAT52680QM			
Comments and/or Supporting Data: Click on ICON to view POD comparison: 			

The following only applies to Major and Minor Changes

Affected Product Specification (if applicable):	Package Outline Drawing
Qualification Plan or Data (if applicable):	Qualification report is available on request.
Customer Samples Available (if applicable):	Mar 10, 2020: PAC5222QM samples are ready now. The samples of other devices will be available in early of Mar. Contact Qorvo Sales and reference this PCN to receive samples.
Qualification Results Available (if applicable):	Jan 3, 2020:
Planned First Ship Date:	Apr 15, 2020:
Identification of Changed Product (if applicable):	Traceability to manufacturing sites are maintained in Qorvo's internal systems.

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
