Change Affects	☒ Form ☐ Fit ☐ Function ☐ Reliability ☐ N/A ☐ Other:			

Description of Change: Introduction of second source package type (please see attached POD (package outline drawing) pdf file "T2G6003028-FL-251").

The main differences between the second source package and the existing package are:

- 1) Bolt hole ears are solid (on second source) instead of split (on existing);
- 2) Ceramic ring frame is black (on second source) instead of white (on existing).

The above differences are minor form/aesthetic differences that do not affect fit, function or reliability. Dimensions are the same as existing package dimensions. The second source package is considered a drop-in replacement of the existing package.

Reason for Change: The second source package is being introduced to ensure security of supply for on-going production. Choice of package in future shipments will be at Qorvo's discretion.

Detail of potential impact to customer: No potential impact should be noted. This change does not affect RF performance.

Affected Products: T2G6003028-FL

Customer Acknowledgement/Responses: All Customer responses must be sent via e-mail to PCNResponse@qorvo.com. When replying, please include the PCN number in subject line. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN. Lack of acknowledgement of the PCN within 30 days constitutes acceptance of the change. Any concerns, sample order response, or a request for further information must be provided within the acknowledgement period. If additional time is required to determine if samples or additional data is required, the customer must submit this request along with the acknowledgement response and state when they expect to complete their review. After acknowledgement, lack of additional response prior to the planned first ship date constitutes acceptance of the change. If the customer requires additional time to perform sample testing, beyond the stated planned first ship date, an extension must be negotiated with Qorvo. Acceptance of the PCN prior to the planned first ship date is considered approval to begin shipments early. Any contractual PCN agreements made with Qorvo supersede these requirements.
