Quantifiable Impact on Quality & Reliability:

Not applicable

Proposed First Ship Date*: Not applicable, as all parts have the same marking since MRL C introduction – Parts already shipping since year 2014.

**The Proposed First Ship Date is the forecasted date that a customer may expect to receive changed product. This is determined by the estimated date of inventory depletion on the PCN issue date. This may be affected by fluctuations in supply and demand. Consequently, although customers should be prepared to receive changed product on this date, Atmel will continue to ship pre-changed product until a time in which inventory has been depleted. This may result in pre-changed product being shipped to customers after this forecasted date.*
