

Product End-of-Life Notification

EOL Number: RE094102A (REVISED June 21, 2010)

Date*: October 19, 2009

See Addition / Change in Blue Color Font Below

Product Description & Replacement:

Atmel is announcing the official End-Of-Life for the AT91FR40162SB ARM7TDMI Flash Microcontroller. There is no direct replacement device. The EOL part numbers are shown below.

AT91FR40162SB-CU
AT91FR40162SB-CU-999
AT91FR40162SB-CI

Reason for EOL:

These products are being discontinued due to obsolescence of the stacked 16M Flash.

Last Time Buy Date: April 15, 2010

* All orders placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

Last Ship Date: June 15, 2011

Due to the fact that the total backlog on the devices covered by this EOL notice exceeds their manufacturing capacity, Atmel decided to extend the Last Ship Date to June 15, 2011. Customers having orders in backlog are kindly invited to spread their deliveries within the limit of the new Last Ship Date.

Information provided herein is in connection with Atmel products and this information is provided "AS IS". Atmel assumes no responsibility for any errors that may appear in this document. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Atmel's Terms and Conditions of Sale for such products, Atmel assumes no liability whatsoever, and Atmel disclaims any express or implied warranty, including liability or warranties relating to fitness for a particular purpose, merchantability, or non-infringement of any patent, copyright or other intellectual property right. Atmel products are not intended for use in a product or system intended to support or sustain life which, if it fails, can be reasonably expected to result in significant personal injury. Atmel may make changes to specifications and product descriptions at any time, without notice.

Attention Distributors: Product(s) identified in this notification will become obsolete and as such this EOL notification will act as the official written notification. All obsolete products will be listed in the next published quarterly distributor price book, following an EOL change, and listed on the obsolescence form which accompanies said price book. Within thirty (30) days from the published date of the price book, Distributor shall notify Atmel in writing of Distributor's then current inventory of the obsolete product.
