

PRODUCT / PROCESS CHANGE NOTIFICATION (PCN)

PCN Number:	SC164305
Notification Subject:	CCB 2733.01 Final Notice: Implement Catalog Part Number (CPN) Changes to Atmel products
PCN Issue Date:	December 13, 2016
Change Category:	Logistics
PCN Status:	Final notification
Microchip/Atmel Parts Affected:	This change applies to virtually all Atmel products.
Description of Change:	Implement Catalog Part Number (CPN) convention changes to Atmel products. Please make the necessary revisions to ensure flawless order/entry and receipt of your products.
Pre and Post Change Information:	Please see the attached affected catalog part number (CPN) list to identify the products affected and changes between the current and new catalog part numbers. Note: Many of the current parts required an additional code after the catalog part number, referred to as the SL code, which some customers may have been unaware of when ordering. To ensure accuracy after the implementation date please query your local sales office with questions if the part number you order is the same as the catalog part number identified in the first column of the attached files.
Impacts to Data Sheet:	None
Change Impact:	None
Reason for Change:	To improve productivity as part of the integration of Atmel and Microchip.
Change Implementation Status:	In progress

Implementation Date: January 1, 2017
