

## Product End-of-Life Notification

**EOL Number:** SE092702

**Date\*:** July 24, 2009

---

### Product Description & Replacement:

Atmel is announcing the official End-Of-Life for all valid combinations of the AT49BV160S and AT49BV160ST Parallel Secure Flash devices. There are no direct replacements for these devices however Atmel offers 32M-bit secure Flash as a portfolio replacement.

The below part numbers are being discontinued.

| Obsolete Products | Closest Atmel Replacement Products | Comment                    |
|-------------------|------------------------------------|----------------------------|
| AT49BV160S-70CU   | AT49BV320S-70CU                    | 32M-bit closest equivalent |
| AT49BV160ST-70CU  | AT49BV320ST-70CU                   | "                          |

NOTE: Please refer to the device datasheets for specifications.

---

### Reason for EOL:

The above devices are being discontinued due to insufficient world wide customer demand.
