

PCN / EOL Notification

Product Change Notification Number: WC102903

Notification Date*: July 26, 2010

Title: New Ordering Code for AT90USBKEY Kit

Product Identification:

AT90USBKEY ordering code changes to AT90USBKEY2

Reason for Change:

☐ Design

☐ Manufacturing Location

☐ Processing

☐ Quality/Reliability

☒ Logistics

☐ Material

Change Description:

A new ordering code has been generated for the AT90USBKEY development kit. This change will be implemented immediately for internal logistic reasons. The actual product is not modified.

OLD ORDER CODE	NEW ORDER CODE
AT90USBKEY	AT90USBKEY2

New orders must be booked using the new order code. Existing orders must be rebooked to the new ordering code.

Identification Method to Distinguish Change:

Not applicable. The actual kit remains unmodified, and this change only affects the ordering code used.

Qualification Data:

☐ available

☐ will be available in WW__

☒ not applicable

Samples:

☐ available

☐ will be available in WW__

☒ not applicable

Quantifiable Impact on Quality & Reliability:

There will be no change made to the actual product.

Proposed First Ship Date: Now

Last Time Buy Date: N/A

Last Ship Date: N/A

Orders already accepted with the obsolete ordering code must be converted to the new ordering code. New orders must be entered with the new part number. The old part number has been obsoleted.

* All orders placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

Atmel Contact: pcnadm@atmel.com

Atmel will deem this change accepted unless specific conditions of acceptance are provided in writing within 30 days from the date of this notice. All correspondence must be sent to the Atmel Contact e-mail address listed above.

Information provided herein is in connection with Atmel products and this information is provided "AS IS". Atmel assumes no responsibility for any errors that may appear in this document. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Atmel's Terms and Conditions of Sale for such products, Atmel assumes no liability whatsoever, and Atmel disclaims any express or implied warranty, including liability or warranties relating to fitness for a particular purpose, merchantability, or non-infringement of any patent, copyright or other intellectual property right. Atmel products are not intended for use in a product or system intended to support or sustain life which, if it fails, can be reasonably expected to result in significant personal injury. Atmel may make changes to specifications and product descriptions at any time, without notice.

Attention Distributors: Product(s) identified in this notification will become obsolete and as such this EOL notification will act as the official written notification. All obsolete products will be listed in the next published quarterly distributor price book, following an PCN/EOL change, and listed on the obsolescence form which accompanies said price book. Within thirty (30) days from the published date of the price book, Distributor shall notify Atmel in writing of Distributor's then current inventory of the obsolete product.
