

Product End-of-Life and Version Change Notice

Date: 26th Jan-2026

Dear Valuable customers,

We sincerely appreciate your continued support and long-term partnership with Zentel.

Due to ongoing process technology optimization and supply chain adjustments, and the discontinuation of certain material components on 63nm series products, we regret to inform you that the following products will be phased out and will enter End-of-Life (EOL) status.

To facilitate a smooth transition and minimize potential impact on your projects, we kindly recommend that you review your final forecast demand and arrange your final purchase quantities accordingly.

Please provide your last time buy quantity by February 4, 2026, so that we can evaluate and secure the corresponding production capacity.
