SMART CITY

INDUSTRY 4.0

ABOUT INELTEK

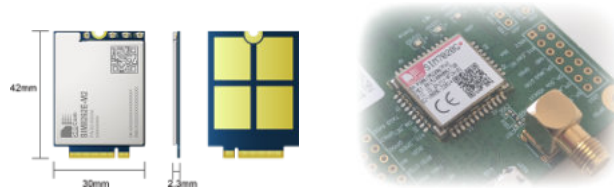

- Founded in 1987
- Headquarters in Heidenheim (GER)
- 8 European sales offices plus USA & Hongkong
- More than 3 decades of design-in experience
- All time committed to innovation
- Flexible & independent mindset to serve your demands & global logistic needs
- 50+ Suppliers for electronic components & solutions
- Long-term relationships with suppliers and experts

INELTEK OFFER

- We bring innovations to kick-start your projects
- Our application team supports your developers
- We facilitate access to vendor experts to enhance your development
- We offer you a stable supply chain for production

CELLULAR MODULES

- NB-IOT & LTE CAT M
- 4G
- 5G & 5G Redcap
- Satellite Communication

CELLULAR SOLUTIONS

- Cellular & GNSS Modules
- Antennas & Design Support
- Wireless Products
- Cloud Services

CONNECTORS

- SIM Card Sockets
- SD Card Sockets
- IPEX Connectors
- USB & More

CONNECTIVITY

- Easy M2M Connectivity
- 22 Million Endpoints
- Tools for Cloud Integration

ANTENNAS

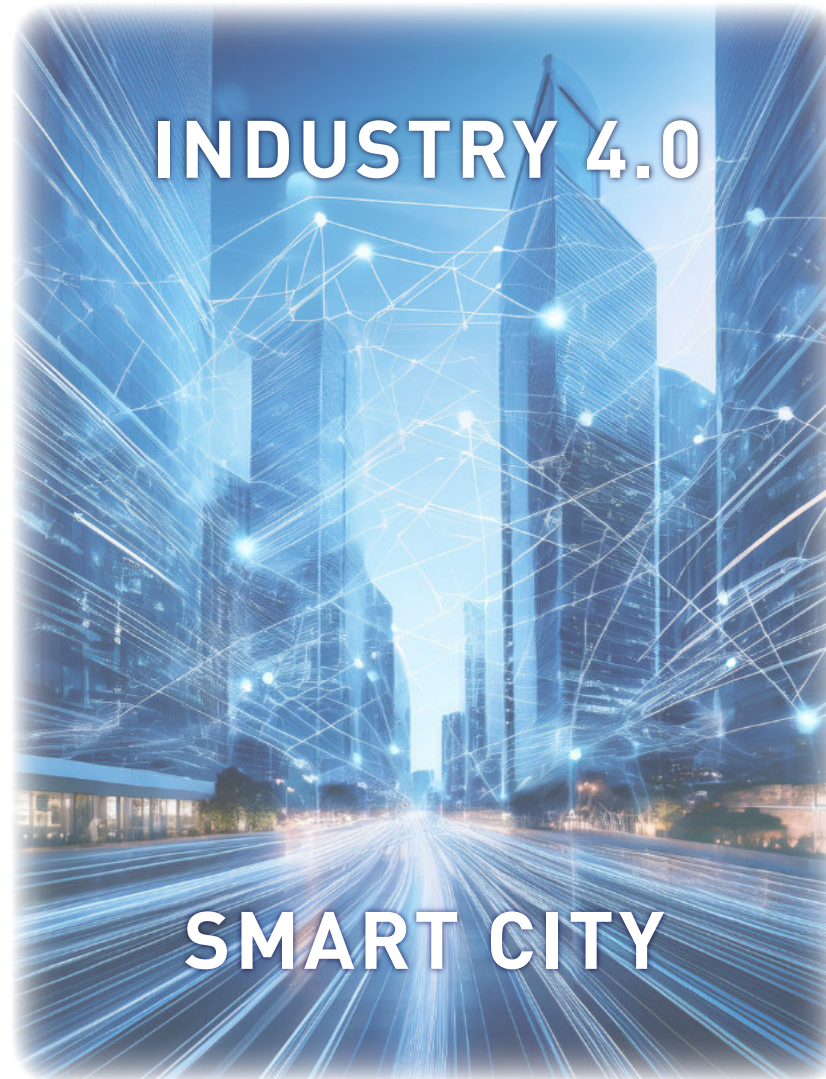

- FPC, PCB, Steel, LDS
- Ceramic, Patch, External

SIMCOM KEY FACTS

- Founded in 2002
- Headquarters in Shanghai (CN)
- European sales office in Munich (DE)
- Among the world TOP 3 manufacturers of M2M modules
- Qualcomm chipset based module for world wide use
- Pre-certified modules for all world regions
- Footprint compatible module families for different cellular standards for easy migration
- Fabless, using several production partners like BYD, HEG Tech. & Bird

NEOWAY KEY FACTS

- Founded in 2006
- Headquarters in Shenzhen (CN)
- European sales office in Valencia (ESP)
- Among the world TOP 3 manufacturers of M2M modules
- Antenna offering & development support
- Cloud service offering
 - European based cloud service in progress
- Broad automotive module & product line-up with focus on 4G and 5G
- Open & virtual MCU options
- Pre-certified modules for all world regions

ATTEND KEY FACTS

- Founded in 2002
- Headquarters in Taipei (TW)
- US and UK Office
- A leading provider of connectivity solutions supporting customers in 42 countries worldwide
- Advanced Connectors
 - Flash Memory (SD, CF, CFexpress)
 - PCB Card (m.2, MXM, miniPCI(e), SDRAM, SIM)
 - I/O (USB, USB-C, HDMI, RJ45, PoE, SFP, OBD2)
 - Circular M connectors
 - Pogo Pins
- Sealed Solutions (waterproof)
- Custom Cable Solution

SMART METERING

SMART ENERGY

1NCE KEY FACTS

- Fast growing IoT connectivity service provider for M2M modules based in Germany
- Coverage in over 173 countries
- Local Support Teams
- **1NCE Connect:** 22 million endpoints connected by proven solution at over 20.000 customers
- Global access & local MNO (EMEA - Deutsche Telekom, USA - T-Mobile US, Asia - Softbank, ...)
- Seamless support of 2G, 3G, 4G, LTE-M & NB-IoT.
 - Optimized for multi-mode setups
- Ease of Use: Simple price models & Management Tools
- Classic SIM & SIM ICs

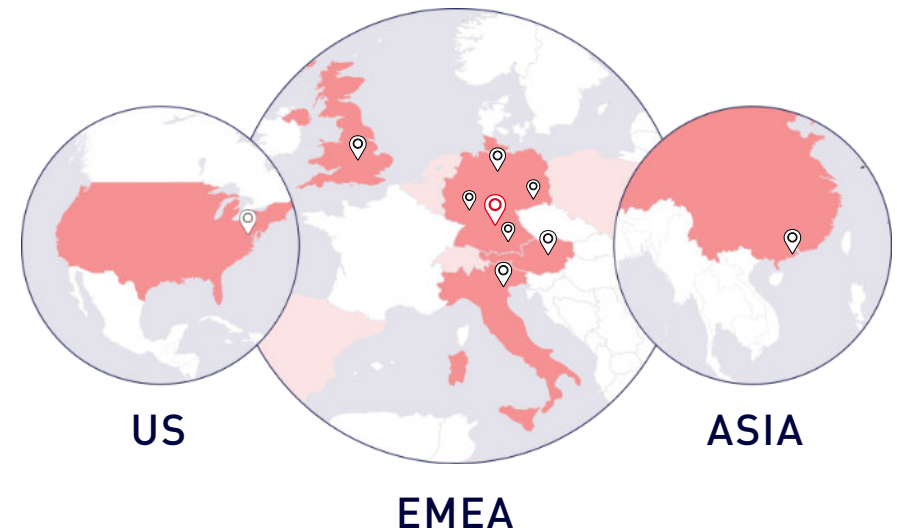

SUNNYWAY KEY FACTS

- Founded in 2009
- 3 R&D Center (Shanghai, Shenzhen & ChongQing) (CN) with 10 OTA chambers
- Own factory with 10.000sq m
- Standard Portfolio & Custom Development
- Passed 2009 IATF 16949
- Antennas built with all kind of technologies to be used in the common & widely used wireless standards
- Focus on 2G/3G/4G antennas since 2011
- Focus on all IoT segments in Smart Home, Smart Security, Smart City, Smart Health & Smart Energy
